## DEAR PHD STUDENTS AND FRIENDS

Let's start off the new year with a new and fun PhD gathering! We, the PhD representatives, Rudi and Denise, want to meet up for a relaxed evening at John Barleycorn's. Come by and let's have a beer, a snack and catch up.

Spread the word and bring your colleagues and friends from the lab. Everybody is welcome. We look forward to seeing you!

Your PhD representatives

Rudi and Denise

**Where:** John Barleycorn  
(Heerstraße 52, 53111 Bonn)
